

Dear Parents,

Chess Wizards, in partnership with Dickinson and Explorer PTSA, will now be offering advanced, beginners and intermediate chess classes at Emily Dickinson Elementary School! If you feel your child needs more of a challenge, then this class will be the perfect way to expand their knowledge of chess. If your child is just entering the world of chess or has a basic understanding, this is a great class for them too.

Our advanced class will cover openings, endgames, grandmaster games, and competitive psychology. Please note that the advanced class equires a good base knowledge of chess theory.

Beginner and intermediate/advanced classes will be offered at the same dates and time.
