Optimize after-school time with active learning opportunities designed to engage and expand young minds. Choose from a menu of multi-week experiences like sports, arts and other hands-on learning activities! Come once a week or every day!

In our programs, your child will experience:

- Physically active and fun daily activities
- A broad spectrum of class options that change every 8 – 10 weeks
- Activities that encourage skill building and creative exploration

Register your child at ykids.org/sam
At the Y, your child can participate in a wide range of hands-on activities that change throughout the school year, all in one familiar environment. After-school time provides a great opportunity for kids to try a variety of new experiences and stretch in ways not possible during the school day.

Examples of classes offered include:

- Flag Football
- Edible Science
- Coding
- Strategy Games
- Young Inventors
- Crafty Creations
- Kids in the Kitchen
- Lego Engineers

MORNINGS, TOO! Start your day with AM Fit & Fun.

This program partners you with our local Y experts in fitness and healthy living with classes like Yoga, ZUMBA® and Super Smoothies to start your day on the right foot.
