

HOME ALONE SAFETY

Safe Kids 101

Kids think they are ready to stay home alone and parents wonder if it's ok to let them. This three-hour home alone class will teach students: responsibilities when staying home, simple first aid and abdominal thrusts for choking victims, how to navigate the online world, fire safety, and what to do around an aggressive dog. We'll also discuss the truth behind abuse, abduction, and stranger danger. All participants will receive the *Safe Kids 101* book.
