Dickinson/Explorer Theater

Parent/Guardian Contract

Dear Families of Cast Members:

We are about to embark on an exciting theater production which requires a big commitment from both the cast members and their families. Before we begin, we want to clearly outline expectations of families.

Parents/Guardians, please read and initial the following:

_____ I understand this production is a partnership between parents, volunteers, and school staff, and that we share responsibility to create a supportive and enjoyable experience for all students.

_____ I understand that for *each student* cast in the play, a PTSA member from the household must chaperone at least **two rehearsals** + join a **production team**, which means **assisting during one performance**. If I have *two* students in theater, then I will chaperone at least *four* rehearsals + join *two* production teams, etc.

_____ I agree to arrive on time for my chaperone shifts, remain until the *last* student is picked up, and ensure the Commons is clean and organized.

_____ I agree to pick up my student on time after every rehearsal.

_____ I have accurately provided my student's regularly scheduled conflicts, one-time conflicts, and any planned vacations during registration.

_____ I understand that if my student's availability differs from what was provided, then their role may be reassigned.

_____ If my student is ill or unable to attend a rehearsal, I will contact the producer as soon as possible.

_____ I understand that except for illness, my student must attend all mandatory rehearsals even if I have a stated conflict:

- All call read-through and sing-through
- Tech and dress rehearsals at Redmond High School Performing Arts Center
- Performances at Redmond High School Performing Arts Center

_____ I am responsible for transporting my student to and from Redmond High School for tech and dress rehearsals and all performances.
