

Dickinson/Explorer Theater Student Behavior Contract

Dear Parents and Cast Members:

We are about to embark on an exciting theater project which will require a great commitment from both the cast members and their families. Before we begin, we would like to clearly outline our expectations of the cast members.

Please read and review the following expectations with your child:

Cast Members, please read and initial the following:

- I will bring my script and pencil.
- I will bring a healthy snack and water bottle to every rehearsal.
- I will use respectful language and behavior at all times.
- I will clean up after myself and others, during rehearsals and performances.
- I will be early to rehearsals so I can be ready when called.
- I will set a good example to others that are younger or less experienced.
- During rehearsal, if I am not being used, I will quietly do my homework so I stay ahead in school.
- I know my attitude and behavior can affect our show.
- I will wear my mask as requested.

By signing this contract, I am stating that I have checked the rehearsal schedule and that, to the best of my knowledge, I am available for all rehearsals for which I am called (unless prearranged with producers), including the extended hours during the extremely important final week of rehearsals and including all performances. I am also agreeing to notify the producers as far in advance as possible in the case of illness or unforeseen conflict.

I have read and understood both the contract agreement and the rehearsal schedule and am willing and able to fulfill the requirements.
